Mr. Roland E. Stewart  
Executive Director  
Business and Industrial  
Coordinating Council  
50 Branford Place  
Newark, New Jersey 07102

Dear Roland:

One of our Trust Officers is trying to close out an account with \$7,000 in it so that the Morris County Business Development Council may be liquidated due to lack of need in that area.

He has asked me if I know of any community minded organization in Newark interested in helping disadvantaged people that might affectively utilize the money. I have told him a little bit about BICC and found him mildly receptive. It might be that you and/or Joe Partenheimer would want to give Mr. Glatz a call and have him come down to BICC and talk with you about the possibility of this money being given to our organization.

Please let me know if I can be of any further help.

Sincerely yours,

*W.W.*
